The Boone and Story County HyperStream 4-H Club's PowerPoint is too large to send via email. Our Community Service Project The ABC Digital Book for Children runs on a web browser. We could have distributed it on a Flash Drive, CD or DVD. However, we decided to place it on its own website for easy distribution beyond Boone and Story counties. We are now distributing it to the world.

Please visit our web site at <http://interactiveabcbook.info> or [www.abcbook.info](http://www.abcbook.info) .

The Contest PowerPoint and the actual The ABC Digital Book for Children are there for your review.
